In the session 2015-16, interested students were given the basic information about MPSC and UPSC examination through documentary film. (No. Participate Students 64)

Cell Organized M.P.S.C., U.P.S.C. Toppers Interview Audio-Video Presentation Program on 10/10/15. The coordinator counselled the students from UG and PG students about the difficulties while preparation for competitive examination. Students were guided as per their area of interest. UG, PG and ex students were Participate with career guidance and counselling.

competitive examinations Cell was organised A special programme for science faculty students on 05/12/19. The information on special opportunities for science faculty students in Indian Forest Services (IFS), Maharashtra Forest Services, Food Inspector etc. was given (No. Participate Students 41)

Considering the need of reference books for preparing for competitive examinations, the coordinator prof. Sachin Werulkar, started on 01/01/16 'SPARDHA GRANTHALAYA' to facilitate students, the rare and important books. Many useful magazines, planner, question sets were updated along with other useful material. (No. Participate Students 83)

On 26/01/16 a wall magazine was unveiled by competitive examination cell to provide all the necessary information regarding vacancies and the advertisements of MPSC and UPSC. It is being managed and updated by the students.

On 10/03/2016, one day workshop was organised. Prof. Sachin Werulkar, coordinator, gave power point presentation on information about MPSC, UPSC and other competitive examinations. He also guided the students regarding time management for the examinations and the students cleared their doubts and queries in question answer session. The interviews of MPSC and UPSC toppers were shown.

#### **Placement:**

In the session 2015-16, regular programmes were organised by career guidance and placement cell. A special programme for science faculty students was organized on 05/12/2015. The information regarding IFS And Food Inspector was given in this programme. The facility of competitive examination library was started. The counselling for professional guidance was also made available.

The Career Guidance and Placement Cell regularly helped students by displaying advertisements of vacant posts, filling up application forms and providing study material related to those posts.

The campus placement could not take place in the session 2015-16 but, at the same time campus placement was organised by TCS at NMD College, Gondia. Therefore, students of B.A. III and B.COM III were sent to NMD College for campus placement. Unfortunately no student got selected in the campus placement. But, 05 students got placed thorough other sources. out of 05 students placed , 04 students (3 Army & 1 Ind. Railway) were placed through competitive exams and remaining 01 students were place other ways .
