REPORT ON "AN EXHIBITION ON LOCAL MEDICINAL PLANTS"

Academic Session:- 2022-23

REPORT ON "AN EXHIBITION ON LOCAL MEDICINAL PLANTS 2022-23"

Dr. K. N. Sathawane, Head department of Botany, suggested in the departmental meeting that **AN EXHIBITION ON LOCAL MEDICINAL PLANTS** will be organized as a part of academic activity of the B.Sc. Semester IVth students. As the commitment made in the departmental meeting, on 15th March 2023 **AN EXHIBITION ON LOCAL MEDICINAL PLANTS** was organized by the students of B.Sc. Semester IV with an aim to get familiar and know the importance, medicinal value and their availability in local areas. Students of B. Sc. Semester IV took part in an exhibition. The said exhibition was organized on 15th March 2023 in department of Botany laboratory. The exhibition was inaugurated at the hands of Dr. R. K. Dipte, IQAC Coordinator of the college, in presence of Professor and Head department of Botany Dr. K. N. Sathawane and other teaching and non-teaching staff members of the college. During his introductory remarks Dr. Dipte, explained the importance of medicinal plants in human life. In recent era, we have a very poor knowledge on medicinally important plants of the earth. He said that each plant on this earth has medicinal value. He further added that medicinal value and its importance has already noted in our traditional Ayurveda. There is an urgent need to explore and enrich our knowledge regarding medicinal value of plants and pass on to others. Many plants around us are known but we do not know their medicinal importance. He congratulated to the organizer. On this occasion, Shri D. P. Khobragade, Dr. J.V. Gadpayale, Dr. M. F. Jadhao, Ku. A. A. Salve, Dr. Thakur madam and Dr. V.V. Warhate head department of Physics and many other teaching and non-teaching staff were present. This exhibition was judged by **Dr. M. F. Jadhao**, Head Dept. of Zoology and **Ku. Arti A, Salwe**, Assistant Professor, Dept. of Zoology and **Dr. A.S. Shukla** department of Zoology.

The exhibition was made successful by the collective efforts of Dr. K. N. Sathawane, Shri Khobragade and Dr. J. V. Gadpayale, Smt. R. T. Sawarkar (Lab Attendant) and the students. Students were guided by department teaching and non-teaching faculty members for collecting the plant specimen from the local areas and villages. In an exhibition **86 students of B. Sc. IV Semester** were participated with their collections of medicinal plant specimen from local area. The evaluations of participated students were

carried out on the basis of, representation of specimens and presentation of information about the specimens which were collected and exhibited.

In this, exhibition the students displayed the various types of medicinal plants (like, (local names of vegetable)- Tulsi, Baheda, hirda, jasvand, Aloe vera and many more with the local information about their utilization. The students of B.Sc. Semester IV were actively participated for the successfully organization of this exhibition.

At the end, on behalf of Botany department Dr. J. V. Gadpayale expressed vote of thanks to all the participating students, all the faculty members and the Principal of college for their enthusiasm participation and help provided at different levels during the successful organization of exhibition.
