

Science association Annual Report 2021-22

The Science Association 2021-22 of our college was formed as the college reopened after the Covid-19 pandemic. Then due to short time tenure the activities of association is accommodate in few events.

The inaugural program of association was done in regular classroom meeting with the organizing body of Science association and the science faculty students. Then the combine event of Fresher for 1st Year students and Farewell for Final year students was organized by the association. It was chaired by Dr. C. B. Masram (Principal of our institute) and in presence of all the science faculty members. During this the students are felicitated by the Best student honor and other few prizes for their extraordinary academic performance in the university examination by the hands of chairperson of Science Association.

After that Science association organized an excursion to enrich the knowledge of students concern with science and technology as well as to understand the various scientific phenomenons.

There is a one short one day tour on 28/04/2022 to NEERI for B. Sc. III year students to understand the various environmental issues regarding water, air pollution and instrumentation. The visit extended up to Marajbag for wild animal observation , for this excursion 40 students were participated.

During this academic year, students organizing body of Science Association including Ku. Vidhi Varma (ppcm- III - President) and members Ku. Kulshree R. Deshmukh, Ku. Himani Nikhade, Ku. Sejal Bisane. And Akash Randive and many more work hard for the successful organization of all events of science association 2021-22.
