Science Association Annual Report 2022-23

Inauguration Ceremony

The Inauguration Ceremony of Science Association for the session 2022-23 was held at **Seth Narsingdas Mor College of Arts & Commerce and Smt. Godavaridevi Saraf Science College, Tumsar** on 17.10.2022 at 11.30 am in New Seminar Hall. The event was attended by 22 the faculty members and around 350 students of Science. The inauguration of Science Association was organized to promote inquisitiveness among the students and inculcate scientific attitude among students, to trigger interest among the students in Science, to encourage, motivate and equip the students in applications of Science and its interface with society and to keep the students in touch with latest scientific knowledge.

The chief guest for the occasion was **Prof. Vivek Wagh, Director Center for Scientific Learning Nagpur and Hon. Lecturer UKZN Durban, South Africa and Prof. Aneshkumar Maharaj from University of KwaZulu-Natal (UKZN) Mathematics Education Research Group, Durban, South Africa.** President of the program was Principal of our college Dr. C. B. Masram. The event was formally inaugurated by showering water to Pinus tree by the chief guest in the presence of college Principal Dr. C.B. Masram, Science Faculty In-charge Dr. K. N. Sathawane, other staff members and the students of science association. Inaugural speech was given by Mrs. Renuka Paswan, President of science association. In her speech she enlightened the brief introduction about science association and in whole session which various activities, program, competitions and industrial visit will be organized. The one of the Chief Guest Prof. Vivek Wagh, from University of KwaZulu-Natal (UKZN) Mathematics Education Research Group, South Africa presided over the function. He addressed the students regarding importance of Science Association. He inspired them for getting more and more benefits from such association in their career. The keynote address was given Prof. Aneshkumar Maharaj from University of KwaZulu-Natal (UKZN) Mathematics Education Research Group, South Africa. In his speech he enlightened the minds of the young hearts by delivering the speech on “EXPECTATIONS FROM UNIVERSITY STUDENTS: A FOCUS ON OUTCOMES AND WORK HABITS”. The keynote address was so interactive; students really enjoyed it and do some fruitful interaction with the guest. Dr. C. B. Masram in his presidential speech, encouraged students to conduct some scientific programs under Science Association. Ms. Rukminee Rahangdale student of B.Sc Final Year gave vote of thanks. Convener of science association, Dr. Pravin A. Dhakite and members of Science Association, all the faculty members of college attended the program.

SCIENTIFIC RANGOLI COMPETITION

Science association has organized Scientific Rangoli Competition on the occasion of **NATIONAL SCIENCE DAY** on 2nd March 2023 in our S. N. MOR COLLEGE, TUMSAR.

The Scientific Rangoli Competition was conducted to promote a scientific drive in the student in order to excel in their academics. This competition increased the scientific temper and innovation skill in the students. It was indeed a large number of different things of experience for the students.

All 21 groups of students' participants painstakingly worked on their rangoli patterns and colors to bring out their talent. A Rangoli Competition was conducted on 2nd March 2023 11:30 p.m. to 2:00 p.m.

The function was inaugurated by the President of Science Association Miss. Renuka Paswan at 11:30 p.m. in the presence of college Principal Dr. C.B. Masram, Science Faculty In-charge Dr. K. N. Sathawane, other staff members and the students of science association. Inaugural speech was given by Mrs. Renuka Paswan, President of science association. Dr. C. B. Masram in his presidential speech, encouraged students to conduct some scientific programs under Science Association. Ms. Rukminee Rahangdale student of B.Sc Final Year gave vote of thanks. Convener of science association, Dr. Pravin A. Dhakite and members of Science Association, all the faculty members of college attended the program.

Fresher for 1st Year students and Farewell for Final year students

Then the combine event of Fresher for 1st Year students and Farewell for Final year students was organized by the association. It was chaired by Dr. C. B.
