PHYSICAL FITNESS, SPORTS & MENTAL FITNESS

Organize by

Department of Physical Education & Sports

There are 38 students Enrollment in Sports Summer Camp 2023, actively participants 16 students. A party was organised at our Sports Summer Camp College before we closed down for the summer Examination and our students returned home for a well-earned rest!

The Sports summer camp included activities that helped develop the physical, mental, psychological, and social aspects of a young student's life. Our aim was to improve both the immediate and future quality of life for those young people through educational, recreational and cultural activities.

Our Sports summer College students truly immersed themselves in the activities and they had an amazing summer Camp. The students learned so much and they also taught us adults much about laughter, hope and energy. They certainly had a lot of fun to go around , We are grateful to all who contributed to this successful Sports Summer Camp, especially to our volunteers and staff for their commitment to creating opportunities for our young people.
