They recollect the friendly teachers and homely atmosphere of the college. For this session, most of the alumni are little bit happy with fee structure of the college & it observed from increased rating. This is due to some actions taken for meritorious students. Overall rating of the college is increased & put in a very good position (64%).
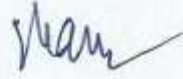

Suggestions to college/IQAC:

The following suggestions can be deduced from the analysis of alumni feedback for the
"actions to be taken"

1. The Training and placement cell should be developed. Campus should have WI-FI
connectivity. The number of girl students is increasing year by year & hence the girl's
common room should be properly maintained.
2. For this session (2017-18) feedback, alumni think that the Training and placement
department should be improved.
3. Teachers should start preparing power point presentation and other innovative
teaching aids to stimulate the students for better understanding and improvement in
teaching & learning section to change the rating from very good to excellent. **The
college administration is further hereby suggested to make smart board and
LCD equipped classrooms since present facilities do not fulfill the needs in this
regard.**
