20) The overall quality of teaching–learning process in your institute is very good

About 84.2% students strongly agree and agree that the overall quality of teaching–learning process in the institute is very good. About 12% students were neutral. Only 3.8 % student opted for disagree and strongly disagree.

21) Give three observations / suggestions to improve teaching–learning experience in your institution

Few important Suggestions from students:

Most of students responded positively to maximum questions. This survey indicates happiness of students for teaching and facilities provided by college. Many students responded that they are highly satisfied and don't have any suggestion. Few prominent suggestions are as follow

- Syllabus should be upgraded by the university : it should have more career-oriented and applied courses ..
- ICT based courses should be offered.
- Weekly assessment should be conducted for better evaluation and assessment process.
- Offline teaching should be started soon
