| 17. Does the Institution have Management Information System ? | Yes | | | | |
| If yes, give a brief description and a list of modules currently operational (maximum 500 words) | <p>Our institution has a very useful and robust Management Information System (MIS). Our Gondia Education Society provides us all required modules to operate the MIS. We have many currently operational modules as enlisted below</p> <p>1. Admission : Students fill in application forms and submit them. After scrutiny, the list of students eligible for admission is displayed along with the dates for admission and room numbers. The college prospectus, which is available on the college website, has information on eligibility criteria, rules and regulations and fees.</p> <p>2. Administration : Students pay fees at the fees counters, and are given receipts. For admission, fees collection, categorywise classification of enrolled students, and other works related to admission Mastersoft Cloud software is used.</p> <p>3. Correspondence : All official correspondence is done through Internet, that is digitally, and Information about important days, celebrations, holidays, examinations, etc. is maintained electronically (on</p> | | | | |

electronic board) and also displayed on notice boards. 4. The college website : The college website is the mirror of the institution. It has information on all academic and administrative activities, faculty profile, events, NAAC related activities, the college prospectus, and nearly everything. The College Website Upgrade Committee works diligently and continuously for updating it. 5. Library : Library is the backbone of an educational institution. So is true about our institution. All transaction, lending/borrowing of books, stock maintenance all activities, etc. are done through Digi Soft Lib. Version 5.0 software. Transaction of books is maintained by Barcode, and holidays and Sundays are also maintained in library software (in order to skip holidays in the stipulated time period). The college website is all informative and the institutes MIS (Management Information System) with operational modules is so robust that one may get required information at a click.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The college is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. All programmes/ Courses taught in the college are approved and prescribed by the university. The university provides framework, curriculum, syllabus, unit-wise marks distribution, question paper pattern, the list of the text books, reference books, etc. The institution has a robust mechanism for curriculum delivery and documentation. • Academic Calendar: The College Academic Calendar Committee prepares the academic calendar well in advance, and circulates it among the faculty members. • Appointment of the staff: The college calculates workload and reports the governing body, Gondia Education Society, Gondia (GES) about the deficient staff, if any. GES appoints staff members following the State Government's and the UGC's rules and regulations. Meanwhile, if the permanent staff cannot be appointed, the college appoints contributory (CHB) staff members. • Time Table: In the beginning of the session, the College Faculty-wise Time Table Committees prepare and display time tables on the notice boards and the college website. • Workload distribution and planning: Workload is distributed as per the norms of the UGC/ Central Government/ State Government/ the affiliating university, departmental time table is prepared. Activities as per the academic calendar are executed. Subjects and topics are allotted as per teachers' interest and expertise for effective teaching-learning. • Teaching Methodology: Teachers use modern teaching method like OHP, LCD projector, Interactive board, Computer aided teaching, Group discussion, Demonstrations, Models, ICT enabled teaching,

Whatsapp Groups, etc. • Teachers plan topics in teachers' diary, mark presence in attendance registers, conduct unit tests, give assignments' questions for internal assessment and/or award marks based on periodic unit tests/ assignments/ daily attendance/ seminar reports/ project works, etc. In practical examination, marks are awarded based on assessment of answer sheets, practical and viva voce, and online marks are filled. Often teachers engage extra classes to cover syllabus, and also offer extra time for the late admitted students. • Co-curricular and Extra-curricular Activities: The college organizes activities like students' seminars, guest lectures, workshops, documentary shows, movies, visits to local fields, visits to National institutes/ laboratories, visits to local industries, true experience learning, visits to libraries, organizing poster exhibitions, quiz competitions, wall poster, wall magazine and sports activities. IQAC: IQAC has vigilant eyes on the delivery of the curriculum and execution of activities. In the staff council meeting IQAC puts shortcomings in the teaching-learning process, it obtained through feedback, and the same is reported to the principal, who looks into the matter, and passes on suggestions/ instructions to the concerned, ensuring proper working and necessary improvement. In order to inculcate quality culture, IQAC suggested changes and measures like biometric machine for staff attendance, submission of teachers' diaries, students' attendance registers, stock verification reports and yearly report of activities at the end of the academic session, and the suggestions were implemented. IQAC gives valuable suggestions for optimum utilization of the existing infrastructure and also welcomes suggestions from departments/ committees/ cells/ associations/ faculty/ stakeholders, and seeing their feasibility, the principal implements them.

1.1.2 – Certificate/ Diploma Courses introduced during the academic year

| Certificate | Diploma Courses | Dates of Introduction | Duration | Focus on employ ability/entrepreneurship | Skill Development |
|-------------|-----------------|-----------------------|----------|--|-------------------|
| 00 | 00 | Nil | 00 | 00 | 00 |

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

| | |
|-----------|-----|
| Students | Yes |
| Teachers | No |
| Employers | Yes |
| Alumni | Yes |
| Parents | Yes |

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

| Feedback Obtained |
|--|
| The college obtains feedback from four stakeholders namely, students, alumni, parents and employers on various issues and parameters. 1. Students feedback on teachers: Students feedback on teachers is obtained through structured feedback forms on parameters like communication skill, interest generated by the teacher, ability to integrate content, accessibility of the teacher to students and ability to design quizzes/ examinations, etc. to understand the course, knowledge base of the teacher, sincerity of the teacher and overall rating. The random sampling method is applied from students on each teacher of the |

institute by the final year students at the end of the final examination. A random sampling of 25 students is considered for each teacher. The feedback is sought on 4 point scale for grading. (Score 1 stands for Very good- score 4 stands for Unsatisfactory). Score is statistically calculated. The data so obtained is analyzed by the IQAC and graded as very good, good, satisfactory, unsatisfactory, and submitted to the principal for necessary action to be taken by the CDC in case a teacher is found below the desired level. 2. Alumni feedback: Feedback from the former students is obtained on the overall performance of the college during Alumni Meet using Alumni Feedback Forms. The Feedback form contains questions on academics, administrative and support services available in the college. A random sample of 25 students is considered for statistical analysis/ calculation. Feedback collected is analyzed on four point scale by the IQAC and put before the principal for further improvement of the institute. 3. Parents feedback: Feedback from parents on the overall working of the college is taken from the parents of students. A random sample of 25 parents is considered for the feedback. The feedback is on the points - superiority of the college in the area, proud to have discipline in the college, adequate facilities available in the college, safety measures in the college, behaviour of the college employee with students, conducive learning environment in the college, availability of teachers for students, platform for all-round development of students, and curriculum standard. The same issues, if therein, are also discussed during the parent-teacher meeting in the college, some are resolved in the meeting, while others are put forward before the principal for further necessary action to be taken. 4. Employers feedback: The college employer feedback committee visits the employers places and records their views on the performance of the ex-students of the college, i.e. alumni, working at their places as their employees. The Employer feedback committee seeks employers views on the syllabi taught, communication skill, curriculum changes as per the need, performance of the former college students and their willingness to shoulder responsibilities by providing feedback forms. The duly filled in feedback forms are analyzed by the concerned committee of IQAC, and placed before the principal for discussion on the issues criticized by the employers for the improvement of the college for benefits of students. A random sample of 25 ex-students is considered for the feedback.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

| Name of the Programme | Programme Specialization | Number of seats available | Number of Application received | Students Enrolled |
|-----------------------|--------------------------|---------------------------|--------------------------------|-------------------|
| BA | Humanities | 420 | 529 | 420 |
| BSc | Science | 220 | 500 | 224 |
| BCom | Commerce | 220 | 220 | 179 |
| MA | Economics | 80 | 34 | 34 |
| MA | Political Science | 80 | 60 | 60 |
| MCom | Professional | 60 | 60 | 60 |

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Students mentoring system is available in the college to solve the day to day academic and psychological problems of the studying students. In the beginning, Principal of the college displays list of the teachers as the mentors to the classes. Regular full time teachers are appointed as mentors to the classes. The same notification is also circulated among students. In the beginning of the classes, the teacher identifies the level of the students as slow and advanced learners on the basis of the marks obtained in the 12th Std and their ability to answer questions, involvement in the discussion and interaction, and leadership capacity, etc. The respective mentor looks into mentees matters related to academic and psychological issues on college campus. The mentor uses formal and informal means of mentoring. The respective mentor encourages the mentee to take part in test, examination and other matter related with the curriculum and also encourages him/ her to take parts in the co-curricular and extra-curricular activities organized by different departments, cells and units of the college, and tell him/ her about how to take benefits of the support services available in the college.1887

| Number of students enrolled in the institution | Number of fulltime teachers | Mentor : Mentee Ratio |
|--|-----------------------------|-----------------------|
| 1887 | 19 | 1:99 |

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

| No. of sanctioned positions | No. of filled positions | Vacant positions | Positions filled during the current year | No. of faculty with Ph.D |
|-----------------------------|-------------------------|------------------|--|--------------------------|
| 54 | 33 | 21 | 1 | 22 |

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year)

| Year of Award | Name of full time teachers receiving awards from state level, national level, international level | Designation | Name of the award, fellowship, received from Government or recognized bodies |

[View File](#)

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Since all the programmes in the college are approved and prescribed by the affiliating university, the institution has limited scope in evaluation process at the college level. The following measures are considered for the assessment. The university allowed institutions to assess students through Internal Assessment and practical course work. The university allotted 20 marks (for the papers of 100 marks) and 15 marks (for the paper of 75 marks) at college level through internal assessment on performance in project work, students' response and participation in interaction, seminars, viva-voce, home assignment, class tests, field visit reports, etc. The departments may consider criteria for the assessment and allotment of the marks. In Science faculty and in some subjects in the Arts faculty, students are assessed through performance in practical course. In second years, assessment of the subject 'Environment Studies' is done based on field work, project work report and written test. Assessment is done through an efficient C.I.E. system. In the beginning, teachers introduce evaluation system, and provide time-table of the test, issue topics for seminar, project, and home assignment, and also tell importance of the attendance. The scope of the topic, details about marks awarding system, and the effective ways of presenting seminars, style and skill of drafting are discussed. Presentation/submission of project works, write-up of home assignment are taken into consideration for awarding marks. Teachers handover mark-sheets to the heads for further official process. The CIE system is very robust and transparent. Evaluated answer sheets are handed over to the students for information and clarification, and if discrepancy found, students are guided accordingly.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Various activities in the college are planned well in advance in the college academic calendar. The calendar is supplied to every department, is also notified on the notice board and uploaded on the college website. In order to execute plans into reality, all are asked to submit annual reports of the department in the form of the annual academic diary. For quality enhancement in academics and administration, the work of internal academic and administrative audit is undertaken once in three years by the College Internal Audit Committee. Academic Calendar and Time Table are prepared, circulated and displayed. The plans and activities in the Academic Calendar are flexible to avoid overlapping of dates. The Role of HoDs:- HoDs convene meetings with staff members and distribute the curriculum workload with consensus, and also decide co-curricular and extra-curricular activities to be organized. Discussions over other matters coming up on time as well as evaluative measures to be applied round the year are held, and the same is recorded in the minute book. The Role of Teacher:- All are engaged in curriculum delivery as per the allotted workload. Teachers plan the teaching and evaluation schedule of the allotted teaching units and after delivery of curriculum, record it in the academic diary. The Role of the Head of the Institution:- After receiving the Annual Academic Diaries from teachers, the Principal holds discussion in the staff council meeting on shortcomings found therein. All teachers determine and vow to do better, and implement the decisions.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

<http://www.snmorcollege.org.in/program.html>

2.6.2 – Pass percentage of students

| Programme Code | Programme Name | Programme Specialization | Number of students appeared in the final year examination | Number of students passed in final year examination | Pass Percentage |

2.7 – Student Satisfaction Survey

2.7.1 – Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as weblink)

https://www.snmorcollege.org.in/feedback_report/sss_2019-20.pdf

CRITERION III – RESEARCH, INNOVATIONS AND EXTENSION

3.1 – Resource Mobilization for Research

3.1.1 – Research funds sanctioned and received from various agencies, industry and other organisations

| Nature of the Project | Duration | Name of the funding | Total grant | Amount received |
|-----------------------|----------|---------------------|-------------|-----------------|
|-----------------------|----------|---------------------|-------------|-----------------|

| | | | | |
|---|--|--------|------------|-----------------|
| | | agency | sanctioned | during the year |
| No Data Entered/Not Applicable !!! | | | | |
| No file uploaded. | | | | |

3.2 – Innovation Ecosystem

3.2.1 – Workshops/Seminars Conducted on Intellectual Property Rights (IPR) and Industry-Academia Innovative practices during the year

| Title of workshop/seminar | Name of the Dept. | Date |
|---|-------------------|------|
| No Data Entered/Not Applicable !!! | | |

3.2.2 – Awards for Innovation won by Institution/Teachers/Research scholars/Students during the year

| Title of the innovation | Name of Awardee | Awarding Agency | Date of award | Category |
|--|----------------------------|--|---------------|----------|
| Sir J. D. Hooker Award for highly esteemed contribution in the field of plant Taxonomy | Dr. Jagannath V. Gadpayale | Department of Botany Dr. Ambedkar College, Deekshabhoomi, Nagpur | 01/02/2020 | Regional |
| View File | | | | |

3.2.3 – No. of Incubation centre created, start-ups incubated on campus during the year

| Incubation Center | Name | Sponsored By | Name of the Start-up | Nature of Start-up | Date of Commencement |
|---|------|--------------|----------------------|--------------------|----------------------|
| No Data Entered/Not Applicable !!! | | | | | |
| No file uploaded. | | | | | |

3.3 – Research Publications and Awards

3.3.1 – Incentive to the teachers who receive recognition/awards

| State | National | International |
|-------|----------|---------------|
| 01 | 00 | 00 |

3.3.2 – Ph. Ds awarded during the year (applicable for PG College, Research Center)

| Name of the Department | Number of PhD's Awarded |
|---|-------------------------|
| No Data Entered/Not Applicable !!! | |

3.3.3 – Research Publications in the Journals notified on UGC website during the year

| Type | Department | Number of Publication | Average Impact Factor (if any) |
|---------------------------|-------------------------|-----------------------|--------------------------------|
| National | Economics | 1 | Nill |
| National | Marathi | 1 | Nill |
| International | Commerce and Management | 1 | Nill |
| International | Physics | 3 | 2.5 |
| International | English | 1 | Nill |

4.3.3 – Facility for e-content

| | |
|--|--|
| Name of the e-content development facility | Provide the link of the videos and media centre and recording facility |
| No Data Entered/Not Applicable !!! | |

4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

| Assigned Budget on academic facilities | Expenditure incurred on maintenance of academic facilities | Assigned budget on physical facilities | Expenditure incurred on maintenance of physical facilities |
|--|--|--|--|
| 2331600 | 733159 | 882000 | 237371 |

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

Established System for Maintenance :- 1. Request letter for repairing / complaint :- The in-charge of the infrastructure lodges complaints with the principal about the job to be done. 2. Visit of the technician :- Technician visits the site and assesses the job and submits the estimate for the said work. The work gets completed. 3. Payment :- On clearing bills by in-charge, the principal releases the payment. 4. Annual Maintenance. Contract :- The Annual Maintenance Contract for the college administration system and the college website is in practice. Physical Facilities :- Gymnasium, Outdoor and Indoor Courts. 1. The College Outdoor and Indoor courts and Gymnasium are optimally used by students in the morning and evening hours. 2. Badminton court and Gymnasium have free access for students and staff members. 3. Physical Director maintains physical facilities. 4. Academic Facilities :- Utilization and Maintenance of Laboratories 1. The laboratories are optimally utilized as per the college time table. 2. Precautionary measures are taken while handling various hazardous chemicals, equipment and instruments. 3. Dead stock register is maintained and periodically updated. 4. At the end of the session, the dead stock is verified and the report is submitted to the principal's office. 5. The noticed shortcoming is brought to the knowledge of the principal. 6. HoDs submit requirements to the principal, who forwards it to the CDC. Upon approval from the CDC, principal takes action. Academic facilities (Computers) :- Utilization and Maintenance of Computer Science Laboratory 1. Class-wise laboratory schedules are followed as per the time table. 2. HoDs and faculty members maintain computers and accessories allotted to them in consultation with the principal. 3. Demands for purchasing are processed by the principal's office. 4. Yearly stock book is maintained and dead stock is verified at end and the same is reported to the principal's office. Academic facilities (Classrooms) :- Utilization and Maintenance of Class rooms 1. Well ventilated and well-furnished classrooms are provided to each class as per the students' strength. 2. Theory classes are engaged when there are no laboratory periods. 3. Teaching is regularly monitored by the faculty in-charge. 4. The faculty in-

charge instructs the peons, if needed, and regularly looks after the maintenance of class rooms. Academic Facility (Library) :- Utilization and Maintenance of the library 1. Library facilities are available to students with a smart library card that is issued after 15 days of admission. 2. Students can borrow only two (02) books at a time on a library card. 3. Fine is imposed, if students fail to return the book in the stipulated period. 4. Students and staff members may browse online journals, e-books, e-study material through INFLIBNET. 5. Students may search books in the library through OPAC. 6. The college library facilities (lending and reading room) are available on working days. 7. During examinations, college library facilities (lending and reading room) are open. 8. The purchase of reference books, text books and other related reading material is done on recommendation of the HoDs and teachers

| Activity | Level | Number of Participants |
|---------------------------------|---------------|------------------------|
| Annual Cultural and Sports Meet | College Level | 500 |
| View File | | |

5.3 – Student Participation and Activities

5.3.1 – Number of awards/medals for outstanding performance in sports/cultural activities at national/international level (award for a team event should be counted as one)

| Year | Name of the award/medal | National/ Internaional | Number of awards for Sports | Number of awards for Cultural | Student ID number | Name of the student |
|------------------------------------|-------------------------|------------------------|-----------------------------|-------------------------------|-------------------|---------------------|
| No Data Entered/Not Applicable !!! | | | | | | |
| No file uploaded. | | | | | | |

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

As per the provision of the University Act of 1997, the Students' Council - Students' Representative Council (SRC) is constituted. The outstanding meritorious student of the class is selected as the class representative. Apart from it, one representative, each from NCC, NSS, Games and Sports and Cultural activities, and two lady representatives constitute the SRC body. Generally, each caste is given proportionate representation. The body so formed elects one among them as the secretary, who in turn, is vested with power to vote to elect the President of the University Representative Council. The student council is established as per the guidelines and time table instructed by the affiliated university. Nevertheless, from the academic year 2015-16 and onwards the students council was not constituted as per the Maharashtra Ordinance XXV of 2016. Although SRC was not formally constituted in the year 2019-20, the college had formed its own SRC body, which was active in a true sense. At least, one member from SRC body is nominated on the college committees. These members are involved in the administrative and academic working of the college. They, time to time, offer suggestions for improvement and to overcome lacunae, and also forward grievances of students, if any. They help in organizing NSS camps, cultural events, games and sports activities, Annual day, Blood Donation Camps and alike. Student council representatives render their valuable services in various activities of the college in response to the national call. They contribute wholeheartedly in preparing and publishing the college magazine - Gulmohar and bringing out wall papers. In checking nuisance elements, ragging and bullying in the college, these representatives play a lion's role. The college has an active Anti-ragging Cell. However, thanks to their efforts, no case of ragging menace has been noticed so far. They take initiative in the activities for alleviating apprehension about the college life in the minds of fresh students. They also extend helping hands to the students in difficulties. In a nut shell, the Students Council, that is, its representatives play a vital role in smooth functioning of the college, and act as liaisons among stakeholders. Hopefully, these students' wholehearted participation in academic, administrative, national and social activities and their commitment to involve others will inculcate in them good ethical values and foster leadership qualities.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No

5.4.2 – No. of enrolled Alumni:

25

5.4.3 – Alumni contribution during the year (in Rupees) :

0

5.4.4 – Meetings/activities organized by Alumni Association :

1. Meetings (Executive Committee) -02 2. Activities - 03

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Centralization is a one-man-up-ship. Decentralization is to respect individual participation and involvement of all - in decision-making process and its execution. True to its vision and values, the Institution believes in working for the welfare and betterment of the masses. The institution believes and functions in accordance with the principles of democracy. The working and governing processes are decentralized and, in every activity, they are applied. The College Management, Gondia Education Society provides all support and free hand for proper decision and utilisation of funds for the betterment of Academic, Curricular activities, infrastructure and the Institution as a whole. The participative management is discerned in its true spirit. All financial, administrative and academic decisions are deliberated over by the staff members and finalized by the CDC. After receiving the affirmative nod from the CDC, the decision is implemented. The faculty members are involved in the decision-making process during the meeting of college staff council and the IQAC. The conveners of various committees also have involvement in the decisions and deliberations in the meeting. The important suggestions regarding college development are conveyed by Principal through regular staff meetings. Two practices of decentralization and participative management during the last year are as such : 1. The Annual Cultural and Sports Meet - 2019 was organized. The programme In-charge was deputed in the beginning of the session. Discussing the format of the function in the staff council meeting, the proposal was sent to CDC. After approval from the CDC, various committees were formed for successful organization of the meet. The programme in-charge submitted application for the expected expenditure. The whole system was geared up for organizing the event. Meetings of the different committees were held. After discussing in the staff council after consensus, the guests were invited to enlighten students. The event was organized successfully. 2. In these days of cut-throat competition, an institution ought to impart useful competitive and career oriented skills to students. The college Career Guidance Placement Cell took initiative, submitted the proposal for organizing various competitive examination oriented programmes. After getting signal for go-ahead from the institute management (CDC), programmes like Test Series, One Day Workshop on Combined Defense Services (CDS) and One Day Workshop on Banking Services were organized. The programmes could be organized by the practices of decentralization and participative management.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

| Strategy Type | Details |
|----------------------------|---|
| Curriculum Development | As the college is affiliated to RTMNU, there is no scope for curriculum development. However, the teachers of the college have been appointed/ elected on various university bodies. They put forward their thoughts before all members and see to it that their views are accepted and implemented. They participate in workshops intended for syllabus framing and updating. |
| Teaching and Learning | In addition to regular Black-board teaching method, teachers are also encouraged to make use of audio-visual aids in teaching like the use of OHP, LCD, mobiles, Internet, models and charts. Staff members and teachers are encouraged to use e-books, e-journals under INFLIBNET. Teachers are encouraged to participate in faculty development programme to impart teaching qualitatively. Teachers performance is appraised and monitored by annual PBAS. Teachers follow innovative teaching-learning method like Interactive Method, Project based Learning, Experimental Learning Method, creative learning, etc. |
| Examination and Evaluation | The institute takes following efforts in examination. On the basis of classes and units, the time table for unit test is prepared, and displayed on the notice boards and shown in academic calendar. Teachers and students follow the schedule. On conclusion of the tests, teachers discuss responses. Evaluation : The marks, students obtain in unit tests, term exams, internal assignments, project works and in other evaluation part are shared with students, and put in the staff council meeting. Reformatations in CIE are started as - <ul style="list-style-type: none">• Maintenance of the records of Internal Assignments.• Discussion with students on the scheme of marking for theory examination and internal assignment (20).and for some subjects(15).• Undertaking some innovative practices like viva-voce, students seminar, home assignments, field visits, reporting project works, students responses as per the |

university norms for each paper-subject. Students are assessed on the basis of the parameters instructed by the university viz. class test, attendance, project assignments, seminar presentation, study tour, industrial visits, visits to higher learning institutes, field visits, group discussion and other parameters instructed by the university.

Research and Development

Research Promotion Cell encourages organizing conferences, workshops and other academic activities. Along with a number of research papers (38) published in International National reputed journals, 07 research papers have been published in the Journals notified on the UGC website by the staff members. Four papers have been published in conference proceedings. Faculty members also presented 19 research papers in national and international conferences/ seminars (8 international and 11 national conferences). One teacher received Award for Innovation in Regional category during the year. One teacher published a paper in a journal with Citation Index 7.6 (Impact factor 4.65). Teaching staff members of the college have contributed three chapters/ articles in books and published one textbook bearing ISBN. The department of Sociology of our college has been publishing a biannual National Peer Reviewed Journal on 'Social Issues and Problems'.

Library, ICT and Physical Infrastructure / Instrumentation

The college Library is the heart of the college. The college library is located in the separate wing. Library consists of two (02) stack rooms, two (02) reading rooms, and a wash room. The college has a full time Librarian assisted by his associates, and library committee, consisting of 6-7 faculty members for the smooth working of the library. The library is equipped with Customized Library Automation Software and had been upgraded by Bi- Lingual Soft Lib Ver 4.0. The library provides e-resources and e-journals through INFLIBNET and N_LIST. At present, the accession, issuing and returning and OPAC services in the library are partially computerized. The library has also provided INTERNET service to students and staff members. Display of

new arrivals is in practice for recent updates. The College library organizes programmes for fostering reading habit among students. To imbibe reading habit and culture among students, The Best Library User Award has been instituted and is given away every year every year Library stock gets enriched by the addition of some new text Books, reference books and magazines..

Human Resource Management

Following culture is in practice for the smooth and effective human resource management. The head of the institution, the Principal regulates teaching and non teaching wings of the college. In the teaching wing, different faculties in-charge control their faculties while in non-teaching wing the head clerk monitors non-teaching staff. Staff performance is assessed through feedback of different stakeholders. On receiving the feedbacks, essential measures are taken in the staff meeting and staff members concerned are instructed to make improvements, if any. Recruitment is made by direct recruitment system, where appointments are made in teaching and non- teaching staff following the State Govt. and UGC norms. The principal had formed different committees in order to decentralize the work. The college allows teaching and non-teaching staff to take part in Orientation courses, Refresher courses, conferences, symposia, workshops, seminars and other training programmes. Department of games and sports of the college organizes medical checkup camp for students during academic session. The institution collects the self appraisal reports from the faculties, examines them and necessary instructions are passed on to the faculties.

Industry Interaction / Collaboration

Dr. M.F. Jadhao of our college has been extending his knowledge to local farmers for pest control in paddy crop, without charging any consultancy fees. The department of Botany and Mathematics had established collaboration in past with Department of Botany, Dr. B.R. Ambedkar college , Nagpur and Datta Meghe Institute of Engineering Technology and Research, Sawangi (Meghe), Wardha-442001, (MS) respectively for research and students

| | |
|-----------------------|--|
| | participation activities in the field of research. |
| Admission of Students | <p>The admission procedure is purely well planned and executed by The Admission Committees. An annually updated college prospectus of the institution is provided at the time of admission. The admissions of the students in Science and Commerce faculties are on purely merit basis. In Arts faculty the admissions of the students are on first come first serve basis. The Admission of the students is made following the reservation policy and other norms laid down by the Govt. and UGC. The state Government has prescribed a stipulated quota for different sections of the students from disadvantaged communities viz, SC, ST, VJ/NT and OBC. This is taken into consideration during admission.</p> <p>Information regarding quota, scholarship, freships and concessions for reserve categories is clearly mentioned in prospectus. Preference is given to sports person wherever possible. All the information regarding students admission is made available on the college website.</p> |

6.2.2 – Implementation of e-governance in areas of operations:

| E-governance area | Details |
|-------------------------------|--|
| Student Admission and Support | <p>Centralized Campus Management System (CMS) software is used for online admission process. • Online centralized admission process for admission to PG classes is carried out by the affiliating university. • The college website: www.snmorcollege.org.in has detailed information. • The seminar hall and conference hall are well-equipped with multimedia and other facilities and are used for conducting seminars and guest lectures. • The entire campus is Wi-Fi enabled, facilitating open access for staff members and students. • Library has software OPEC for borrowing -lending process. • The college has partial Digital Library with 04 computers and Internet facility.</p> |
| Examination | <p>Main examinations (theory and practical) are conducted by the affiliating university. The college conducts various examinations for internal assessment purpose: • The tentative schedule of examination- unit</p> |

test, annual test, submission of internal assessment book, home assignments, field report, project report, seminar through PPT is published well in advance • The college departments have liberty to consider one or more criteria for the assessment and allotment of the internal assessment marks to the students • Valued answer books are given to the students and discussed for better writing skill and to resolve grievances, if any. • Records of internal assessment marks are maintained by departments.

Planning and Development

- The college regularly organizes workshops for non-teaching for improving their working ability. • Computer literacy programme is organized • Digi Soft Lib.software is used or effective management of library
- Library is automated using Integrated Library Management System (ILMS) • Administrative office is managed with computers, printers, photocopiers, fax. etc. • The library offers e-journal facility through INFLIBNET. • All departments have computers with Internet facility.

Administration

- The college campus is under surveillance of CCTV. • Master software is used for office management • Admission process is carried out using computers • Computer generated Identity cards and library cards are issued. Finance and Accounts • Master software is used for office management • counting, Fees collection and maintaining records of scholarship is done using computers.

Finance and Accounts

Our institute is run by Gondia Education Society Gondia. The College Management, Gondia Education Society provides all support and free hand for proper decision and utilization of funds for the betterment of Academic, Curricular activities, infrastructure and the Institution as a whole. The college is under 2f and 12(b), therefore UGC provides grants to grant in aided sections. The Maharashtra State Government provides grants. The annual income and expenditure statements are regularly subjected to an internal audit and three types of external audits: The internal audit, by an auditor (a Chartered Accountant)

appointed by the Gondia Education Society, Gondia, and External audits, by the Office of the Joint Director, Higher Education, then, by the Senior Auditor, Govt. of Maharashtra and finally, by the office of the Regional Auditor General, Nagpur. In both the cases, account statements are examined pin point.

6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

| Year | Name of Teacher | Name of conference/ workshop attended for which financial support provided | Name of the professional body for which membership fee is provided | Amount of support |
|---|-----------------|--|--|-------------------|

6.5 – Internal Quality Assurance System

6.5.1 – Whether Academic and Administrative Audit (AAA) has been done?

| Audit Type | External | | Internal | |
|----------------|----------|-------------------------------------|----------|-----------------------|
| | Yes/No | Agency | Yes/No | Authority |
| Academic | No | Nil | Yes | College AAA Committee |
| Administrative | Yes | Joint Director Govt. of Maharashtra | Yes | College AAA Committee |

6.5.2 – Activities and support from the Parent – Teacher Association (at least three)

| |
|---|
| 1. Regular Parent Teacher Meet. 2. Valuable suggestion of Parents are accepted after discussion. 3. The development and progress of the ward are conveyed to parents. |
|---|

6.5.3 – Development programmes for support staff (at least three)

| |
|---|
| 1. Training programme/workshop on computer awareness organized for Non-teaching staff members. 2. Workshop organized by Women Development Cell for awareness on Sexual Harassment at Work place. 3. Training facilities area available for supporting staff as and when required. |
|---|

6.5.4 – Post Accreditation initiative(s) (mention at least three)

| |
|--|
| 1. Library reading room facility expanded. 2. Quality enhancement efforts strengthened through IQAC. 3. A perspective plan for future development is created |
|--|

6.5.5 – Internal Quality Assurance System Details

| | |
|--|-----|
| a) Submission of Data for AISHE portal | Yes |
| b) Participation in NIRF | No |
| c) ISO certification | No |
| d) NBA or any other quality audit | No |

6.5.6 – Number of Quality Initiatives undertaken during the year

| Year | Name of quality initiative by IQAC | Date of conducting IQAC | Duration From | Duration To | Number of participants |
|------|--|-------------------------|---------------|-------------|------------------------|
| 2019 | One day workshop on Online Tools for Teaching and Learning Process | 12/07/2019 | 12/07/2019 | 12/07/2019 | 32 |

CRITERION VII – INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 – Institutional Values and Social Responsibilities

7.1.1 – Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)

| Title of the programme | Period from | Period To | Number of Participants | |
|------------------------|-------------|------------|------------------------|------|
| | | | Female | Male |
| World Womens' Day | 12/03/2020 | 12/03/2020 | 83 | 13 |

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

The college has taken following steps towards Environmental Consciousness and Sustainability/Alternate Energy: 1. Adopted Rain water harvesting system with the well in the college. 2. Rain water collected during rainy season is being

use as distilled water in Botany, Zoology and Chemistry laboratories. 3. Hand washed water is directed for watering towards plants carries. 4. Regular plantation activities in and outside the college premises undertook. 5. Efforts are being made to maintain the plastic free campus. 6. Installed Solar panel in the college premises which saved the electricity at some extent. 7. Maintaining the indoor potted plants inside the corridor of the college. 8. Green Audit initiated in the college.

7.1.3 – Differently abled (Divyangjan) friendliness

| Item facilities | Yes/No | Number of beneficiaries |
|--|--------|-------------------------|
| Physical facilities | No | Nil |
| Provision for lift | No | Nil |
| Ramp/Rails | Yes | Nil |
| Braille Software/facilities | No | Nil |
| Rest Rooms | No | Nil |
| Scribes for examination | Yes | Nil |
| Special skill development for differently abled students | No | Nil |
| Any other similar facility | No | Nil |

7.1.4 – Inclusion and Situatedness

| Year | Number of initiatives to address locational advantages and disadvantages | Number of initiatives taken to engage with and contribute to local community | Date | Duration | Name of initiative | Issues addressed | Number of participating students and staff |
|------|--|--|------------|----------|--|--|--|
| 2019 | 1 | Nil | 26/09/2019 | 1 | Exhibition on Wild Medicinal Plants and vegetables | To know the medicinal and nutritional values of local plants | 36 |

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Regularly organized plantation program in the college premises.
2. Use of

polythene bag and plastic ware are strictly prohibited. 3. A campus cleaning program is regularly organized by NCC and NSS units . 4. Potted indoor plants are kept inside the corridor of the college. 5. Guests are honored by offering plants sampling instead of bouquet during programs.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Practice No 1 Title of the Practice : Guidance for Competitive Examinations.

Objective : 1. To make available to students coaching and practice for competitive examinations 2. To make available to students a separate place for study 3. To make available to students guidance from successful persons (in competitive examination) Context : It is competitive age. Competition generally means to go ahead leaving behind ones competitors. To surpass others is the key to success. To surpass, to overtake, and to overpower others- is a mantra to succeed. However, this has proved old and outdated thinking. The word I is supplanted by the word we. In this world of explosion of knowledge and information, it is beneficial if one prepares for succeeding in competitive examinations in a group, along with other aspiring students, in a class. It is desirable to work together as a team, proceed together taking hand in hand and reach the goal. It is necessary to bring all aspirants under one roof, rather it is necessary to provide class room coaching by creating conducive ambience for the preparation of the competitive examination. The diligent students are scattered here and there, it is necessary to bring them at one place and offer meticulous training for getting success in a competitive examination. It works wonder if the person who has been already successful shares with them tricks of his success, for an ignited matchstick kindles another one. The successful persons in different fields stand as a lighthouse for aspiring students. A shelf full of books on competitive examination create conducive atmosphere for study. The institute is located in rural area. Majority of students find it difficult to make both ends meet, aspiring and preparing for a competitive examination is a far off thing, a distant dream for them. Our students must remember Lord Tennysons words - strong in will / To strive, to seek, to find, and not yield, and work hard to get through in any examination. We should take onus on our shoulders for showing rays of hope. Seeing the need for guidance and imparting skills, our colleges Career Guidance Placement Cell started a novel venture. Practice : Many programmes were organized during the session. 1. Competitive Examination Students Forum was formed on 24/08/2019 to encourage students active participation. 2. The Cell organized Test Series (the third consecutive year) between 5/9/2019 and 31/01/2020 so as to build up confidence of aspirants. As many as 94 students appeared in the tests. 3. One day workshop on Combined Defence Services was organized in collaboration with Arjun Career Academy, Bhandara on 1 October, 2019. Considering students interest in armed forces the Paramvir Sec. Lt. Arun Khetrupal Armed Forces Examination Study Cell was established on the occasion. 227 students were present to benefit from guidance on combined defence services and the competitive examinations such as UPSC, MPSC, and others. 4. On the occasion of Vijay Din (16 December), the study centre celebrated Vijay Din and organized Guidance Programme. 102 students attended the programme. 5. One Day Workshop on Banking Services Examinations was organized on 24 December, 2019. 94 students participated in the workshop. 6. One Day Seminar on MPSC and UPSC exams was organized jointly with Narayana I.A.S.Academy Nagpur on 31 January, 2020. A test was conducted at the end and first three top scoring students were awarded coaching and guidance free of cost by Narayana I.A.S.Academy Nagpur. 115 students were present in the programme and took examination. 7. Intercollegiate Level Competitive Examination was organized in collaboration with Ideal Coaching Classes, Tumsar on 4 March, 2020. 260 students from different colleges appeared in the examination. Evidences of Success : Placement : In the session 2019-20, many

initiatives were taken by Career Guidance Cell in collaboration with Placement Cell. No campus placement was arranged during 2019-20, still 15 students were recruited in different fields. 10 students were recruited in Indian Army, 01 student got selected as Airman in Indian Air force and 02 student got recruited in Indian Railway. 02 were placed in other fields

Problems Encountered and Resources Required : Evidently, for organizing programmes for competitive examinations, which is outside the domain of the colleges conventional curriculum, many problems and hurdles are to be encountered. Nevertheless, all obstructions surrendered before undaunted will of members of Career Guidance Placement Cell to do something worthwhile for our students. It tested skill and patience of members to form collaborations with others. Many like-minded individuals help wholeheartedly. Our enthusiastic principal, always willing to ignite minds of young aspirants offered infrastructure and resources, guided students, and let us use his acquaintances for organizing programmes. Alumni donated books on competitive examination, and the librarian along with his staff made available a separate chamber as a reading room (section) for competitive examination. The experienced colleagues shared their expertise with students. All contributed to organizing and thus, all seemingly insurmountable problems could be easily overcome. All required resources were provided by the institution.

Practice No. 2 : Title of the Practice : Guidance for Entrepreneurship and self -employment. Objective : 1. To make available to students guidance for Entrepreneurship and self -employment 2. To impart to students practical knowledge 3. To make available to students guidance from successful persons (self-employed)

Context : Regarding rural talent, the great poet Thomas Gray in his Elegy says, Full many a flower is born to blush unseen. The rural talent is wasted because of lack of opportunities and opportune environment. It is advisable to create conducive ambience for entrepreneurship. In this world of very few employable opportunities, it will be a yeoman service for our rural students, if we could impart to them self- employment skill. Pondering over the dire need for students to have training and technical know-how for mini scale jobs, the Entrepreneur and Skill Development Cell together with other cells come up with some concrete programmes. Some workshops and lectures of well-known persons were organized.

1. One Day Gramodyog Training Workshop was organized by Career Guidance and Placement Cell in collaboration with Environment Cell and Govigyan Anusandhan Kendra, Devlapar, Nagpur. The purpose of this workshop was to create self employment among the college students who are mostly from rural areas. Mr. Sagat Kumar, Head, Devlapar Centre, guided the students on Govansh based business, organic farming, production of Ayurvedic Medicine etc. Students visited various Gramodyog projects which were run by Govigyan Anusandhan Kendra. At the end, students were distributed handbooks on self employment information. Total 120 students participated in this workshop.

2. On the occasion of International Women's Day, Women Task Force together with Home-Economics Department organized a Lecture on Malnutrition and Measures, and a Workshop on Nutritious Ladoo Making at Mitewani to guide women of village Mitewani on diet and health care issues on 9th March 2020. The aim of organizing the programme was to enlighten the women of rural area on the importance of nutritional diet for them and their kids. Dr. Bharti D. Katekhaye, Head, Home-Economics department, through live demonstration told the present women how to prepare nutritional food. Dr. Ms. Nikita Shinde presided over the programme. 24 women and 32 kids of the village, as well as 25 girl students of the college attended the programme. The woman Sarpanch of the village, Nurse and Aanganwadi worker extended co-operation for the success of the programme.

Evidences of Success : Students should get a spark of inspiration to do something adorable in their future lives. They cannot take up a task of entrepreneurship at once- nor is it expected. We can impart training arrange entrepreneurs to share their skills, expertise and experiences. The entrepreneurs should set an example and stand before them as a role model. If this is done, then we may say that we have met with success.

Students should get empirical knowledge. Our compatriots should benefit from our knowledge. That is the whole purpose of organizing workshops/ programmes. It is evident that these programmes imparted entrepreneur skill to students, which will be useful to them in future. As many as 120 students benefited from the first activity and more than 50 village folks along with 25 girl students avail themselves by the second activity. Problems Encountered and Resources Required : Always organizers encounter a lot of problems while organizing such kind of activities. It is difficult to take students to other places. Arranging resources, logistics problems right from arranging transportation, seeking consent of the parents, arranging dates and prior permission of the place to visit, arranging and inviting guests and many other problems were encountered, which we successfully solved. The head of the institution guided and helped us. All professors cooperated, and many outsiders extended help benevolently. All required resources were provided by the institution.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

http://www.snmorcollege.org.in/activities/best_practices_2019-20.pdf

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The college's and Society's vision clearly states that "To promote education for the development of personality ... making him a useful member of society."

In this direction the college has been performing well in the following distinctive areas. The college is placed in an underprivileged and backward region. The college has been offering co-education since 1965. In the last few years, a substantial growth in the number of the girl students is conspicuous.

This trend is definitely due to the practices adopted by the college in providing safety, security and conducive environment for girls for study on the college premises. The practices adopted by the college are : ? Staff members are always co-operative and supportive in all respects. ? The college campus is under the surveillance of CCTV and observant eyes of the principal. ? Spacious and cozy girls' common room with attached lavatory. ? Regularly organizing programmes on women's emancipation, empowerment and self-employment. ? Quite trustworthy from the safety point of view as staff members keep keen eyes on the college campus. ? In addition to boys, girl students are also motivated to participate in various extra and co-curricular activities. As a result, girl students have shined in many fields. ? The College Career and Placement Cell organizes useful and inspiring guest lectures, provides coaching, and also organizes mock competitive examination, in such activities, more girls students are participating and benefitting a lot. ? Due to conducive atmosphere in sports department of the college, girls students have shined one by giving excellent performances in the university competitions. ? Girl students may join N.C.C These practices generated trust and created an environment conducive for studying. The college N.C.C. unit is distinct from others in having capacity to produce a mature cadet for the Indian army. A very good number of N.C.C. cadets are serving in Indian army. The girl cadets shown their excellence by participating in R.D. parade in New Delhi, giving the message that women are equally efficient to take on any responsibility/ work. Thus, the N.C.C. unit of the college has been creating personalities useful to society. N.C.C. cadets donate blood to Govt. Hospital every year, spreading the message of social sense and responsibility. During the curriculum delivery, the college organizes many extra and co-curricular activities. The college staff, retired teachers and well-known persons have constituted cash prizes for meritorious students, which act as an incentive for students to excel in exams and motivate them to do better.

Provide the weblink of the institution
