Outreach activity- "Bridging the Language Gap: Engaging Community Outreach for English Learning" to Hasara

By Dept. of English

(On April 03, 2025)

English is the international language. Knowledge of English acts like a key to the Alibaba's cave of job opportunities in the world arena. Society is a main stakeholder of the teaching – learning in the college. The department of English feels that it owes much to society. It is imperative to seek opinions of the people in surrounding so as to prepare a strategy for reaching people and serving them in the form of imparting basic skills.

As a part of an outreach activity, the department of English feels obliged to mingle with students, interact with them and impart their know-how.

The college department of English undertook an outreach activity at the neighbouring Hasara, Tah- Tumsar, Dist- Bhandara.

Some students from the college met the village people, mixed and interacted with them. They also collected responses to questions in questionnaires. Department of English - Professor. Dr. R. K. Dipte, HoD, Dr. G. G. Baghmar, Prof. A. M. Khandwe, and Dr. S. Y. Nasre, worked hard for the success of the programme.

13 Students were selected from the college. The college arranged vehicles (means of transportation.).

Beneficiary.... 13 (Students form the college) + 70 (questionnaire + interacted) =
= 83 (Total beneficiary)

The college students enjoyed the activity.

The students got an opportunity to mingle and interact with people, real stakeholders form society. Students met in all 65 persons and collected their views on English in general. Students found that people very much wanted to learn English. The activity and interaction will certainly help students to become responsible citizens. Let's hope that students develop the feeling that they owe very much society, they are for their poor brethren from the community, and must repay to society
