

Natural fiber production Natural farming workshop

A visit was made to the Central Sericulture Research Institute, Davdipar on 26/3/2025 in collaboration with the Department of Environment and Sociology and the Career Guidance and Placement Cell.

On this occasion, the chief researcher of the center, Dr. Praveen Gedam, informed the students about natural fibers and the yarns made from them. Information was given about the production of tasar silk and mulberry silk and the related project was made known to the students.

Along with this, information about Vermicompost, organic farming and vermicompost production was also provided to the students. The Samarth scheme of the Union Ministry of Textiles was explained to the students and handbooks were distributed to the students.

On this occasion, Dr. Rahul Bhagat, Head of the Department of Environment and Sociology, Dr. B D. Katekhaye, Dr. Aruna Bavankar, Dr. Sachin Werulkar, Prof. L. K. Petkule, Prof. A. B. Chavan were present. **80 students** attended the workshop.
