Society is a main stakeholder of the teaching – learning in the college. The department of English feels that it owes much to society. Sub : Thanks for the permission to organize a Field Survey/ Outreach activity at your esteemed school.

R/Sir,

As a part of a Field Survey/ Outreach activity organized by Department of English, our college students, visited your esteemed school on **Monday, April, 08, 2024 at 9.30 am**, and communicated with the students at the school, and did survey in the neighbourhood.

Our students immensely benefited from the activity. They obtained firsthand experience of teaching, and an opportunity to understand society and its needs. In a way, it was a skill-based training for them. The ambience of the *Ashram Shala* is very much conducive for learning. We are sure that the outgoing students of the school will be shining jewels, carving niche for themselves and their *alma mater* serving society in their lives.

Thank you very much for the permission, cooperation and hospitality rendered by you and the staff members.

We look forward to many more such activities together with you.
