How to protect your Trade Mark?

- Trade Marks registration is optional. However, registration has certain advantages.
- Registration available at the national, regional or international level.
- Initially registered for 10 years. Can be further renewed indefinitely (10 years each time and so on).
- In case of non-use, non-renewal or no policing, trade mark rights are lost.
- The existing trade marks registration is governed by The Trade Marks Act, 1999 & The Trade Marks Rules, 2017.
